The Community Center Committee would like to hold events based on ours and your combined views, preferences and needs. This will enable us to organize events that are considered most popular, feasible and important to our members and non-members alike.

## Background:

As you already know that in the new temple we have a community center and class room's setup, where we would like to have various events, gathering and other community based activities for seniors, parents and children of all ages. Below is a brief questionnaire where we have listed some of the ideas that we are currently considering. We will expand this list based on the input we receive from you.

We would really appreciate if you could fill in the questionnaire/survey below and give it to Pandit Ji at the Mandir or use our "Feedback" form on mandir's website at [www.hindusamajmandir.org](http://www.hindusamajmandir.org) to give your comments.
