

Community Center Youth Club

The Hindu Samaj Community Center has started a youth club for children which will strive to cater to the social needs of the teens in our community by providing fun programs and activities allowing them to express their talents and interests and nurture their leadership qualities and strong character. A high emphasis will be placed on community service through which we shall try to encourage and inspire our children to make a tangible difference in the community and the world around us. We will encourage and take steps to fulfill a sense of obligation to build a rich and supportive community which stands for something bigger than ourselves. The youth club will be divided into a junior youth club for grade 7-9 and a senior youth club for grade 10-12. *If your child is going to be in 7th grade in coming September, you can enroll him/her in the month of January.*
